

**IMPORTANT ANNOUNCEMENT
TO ALL REGION C GWTA MEMBERS**

Hear Ye Hear Ye. Region C is going to have a 'RED' Book. What is a 'RED' Book, you ask? It is a book that will have a listing of members who wish to be listed and things they can offer if you are in their area and might need something. It is also hoped to have information on 'tried and true' camp grounds, mom and pop restaurants, Points of Interest. These can be in your area, or in areas you have traveled. On these please give us as much information as possible so that we can be sure we have the right place when we put this wonderful 'RED' book together.

Who can obtain one of these Elite 'Red Books? EVERY GWTA MEMBER!
How will you obtain one of these most sought after 'RED' books? Very simple! You will be able to purchase one at a most reasonable price (we will know after final costs for printing are in) from a Region Officer.

What we need from you is to fill in all information you are willing to share on the attached sheets and ask your Chapter Director to submit it to the State Director who will in turn get them to 'ME ☺ Mr. G☺☺D L☺☺KIN, Rick Hinrichs, Region C Director**'. We would like these all submitted by August 1, 2010.

You can submit as many restaurants, motels, and campgrounds as you might know of.

If you think of additional things you can email information to gwtaregcredbook@gmail.com
